

The Five Unity Principles

God is absolute good, everywhere present.

Every human being has a spark of divinity within, the Christ spirit. Our essence is of God; therefore, we are inherently good.

We are co-creators with God, creating reality through thoughts held in mind.

Through prayer and meditation, we align our heart-mind with God. Denials and affirmations are tools we use.

Knowing and understanding Unity Principles is not enough – we must also live the Truth we know through our thoughts, words, and actions.

You are the face of God, I hold you in my heart;

You are a part of me, you are the face of God.

You are the face of Love, I hold you in my heart;

You are a part of me, you are the face of Love.

Rev. Ellen Barron, M.Div.

You are the heart, you are the hands.

You are the voice of Spirit on Earth.

And who you are and all you do,

Is a blessing to the World!

We are the heart, we are the hands.

We are the voice of Spirit on Earth

And who we are, and all we do,

Is a blessing to the World!

I am the heart, I am the hands.

I am the voice of Spirit on Earth.

And who I am, and all I do,

Is a blessing to the World!

You're a blessing to the world.

I'm a blessing to the world.

We're a blessing to the world.
